

Logitech iPad Solutions for Education

Boost student potential, allowing them to learn, create, and thrive—in class, at home, and wherever they may roam.

LOGITECH ACCESSORIES ENHANCE iPad EXPERIENCES—AND THAT’S COMPLETELY BY DESIGN.

In fact, we’ve been designing solutions for Apple products for over a decade. The result is a suite of tools that elevate every Apple experience with more functionality, more customization, and more comfort. Logitech’s Rugged Combo keyboard cases and Crayon digital styluses are built to pair with iPads and each other seamlessly. Rugged durability and seamless design? That’s what we call a perfect combo for students of all ages.

KEYBOARD CASES FOR iPad

Logitech keyboard cases are the perfect partner for iPad in the classroom. The durable cases protect against drops, spills and scratches, meeting military standards of drop protection (up to 1.2m). They all have a home to store Logitech Crayon or Apple Pencil so that it's always in reach and ready to use.
